SAMPLE DECK

Lumen

A quiet room for your PDFs.

Drop any file on the tab to replace this deck.

MOVE

One page at a time

→ `Space`	next page
← `Shift Space`	previous page
`Home` `End`	first and last page

JUMP

Type a number, press Enter

`4` `Enter`	go to page 4
`G`	see every page at once

PAUSE

Black out the screen

Press B for black or W for white, the way a projector remote does. Any key brings the page back.

FRAME

Fit the page or the width

F	switch between fit page and fit width
T	light table or dark room

YOURS

Open your own

Drag a PDF onto this tab, or press O.

Lumen remembers the last page you were on.
